

## Creekside Food Co-Op

ELKINS PARK, PA

### Project Profile

10,000 square foot renovation project.

Allied served as the Construction Manager for this 10,000 square foot renovation. This project was a combination of adaptive reuse and new construction including complete shell reconstruction. Scope of work included a full service commercial kitchen, food prep, and retail services area. Co-Op members participated in community building days. A recipient of the 2014 Sustainable Cheltenham Award.
